

MLS Payment Authorization

All current MLS payments for MLS service have been discontinued.

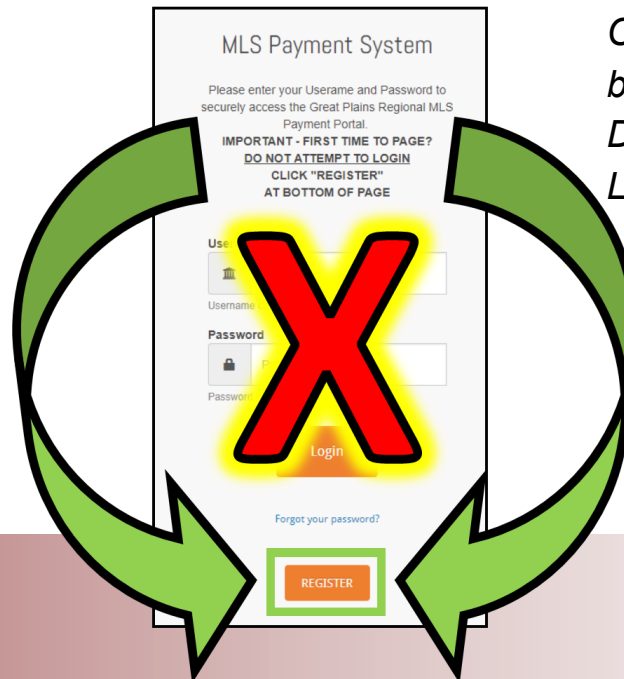

All MLS users* are required to register a payment account and authorize MLS fees before March 31, to avoid an interruption of MLS service.

** If your account will be paid by another user, STOP here. Check with that individual to make certain they have included your payment with their authorization—failure to authorize MLS fees will result in service suspension.*

** If you are paying for more than one account, first register your individual payment account then follow the instructions for multiple user payments: <https://www.gprmlsdocs.com/PayingForMultipleUsers.pdf>*

The image shows a screenshot of a web page titled "MLS Payment System". The page contains a login form with fields for "Username" and "Password", a "Login" button, and a link for "Forgot your password?". A large, bright red "X" is superimposed over the login fields and the "Login" button. A green arrow points from the "REGISTER" button at the bottom of the page towards the "X". The "REGISTER" button is highlighted with a green border.

Step 2: Check “I agree to terms.” Click “Continue.”

Enter “Account Nickname” (*anything... Mary's Payment*), “MLS Agent ID #,” and “First 2 Characters of Last Name.”

Terms and Conditions

By Agreeing to the Terms, registering their (the user) MLS Agent ID, and entering their Checking or Savings Account information during the registration process, the registrant agrees to allow Great Plains Regional MLS LLC (GPRMLS) to setup a monthly recurring payment on their behalf. The Checking or Savings information collected during the registration will be used for these recurring payments. The amount to be charged will depend upon the agreement made with and services rendered by GPRMLS. The payment schedule (Payment Date, Amount, Frequency) will be enforced until the registrant contacts GPRMLS to cancel or amend the terms of the payment schedule. Contact information for this process is available in the Support link found upon logging into this payment website.
