

Paragon Connect Setting Up a Saved Search

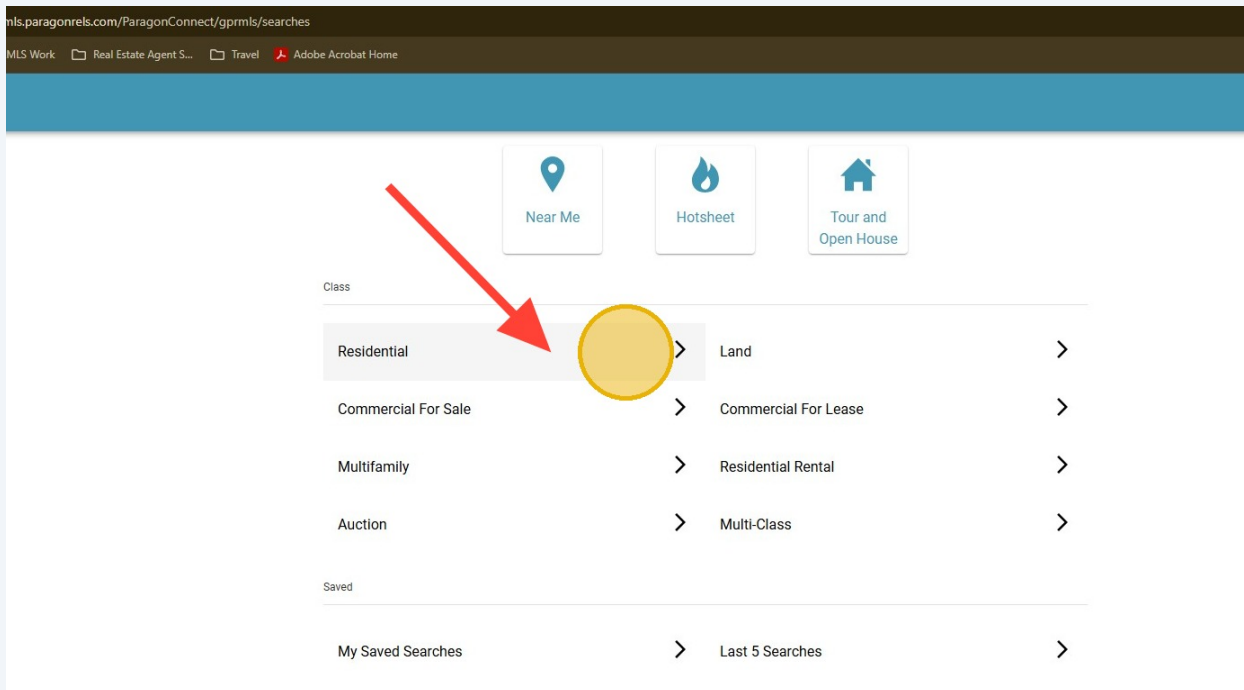

1 Go to the Main Menu

2 Click "Search Properties"

3 Choose the Class you want- I chose "Residential"

4 Complete the field criteria as you want

The screenshot shows the 'Primary Criteria' section of the Paragon Connect search interface. The URL is `gprmls.paragonrels.com/ParagonConnect/gprmls/searches/property?classId=1`. The search criteria are as follows:

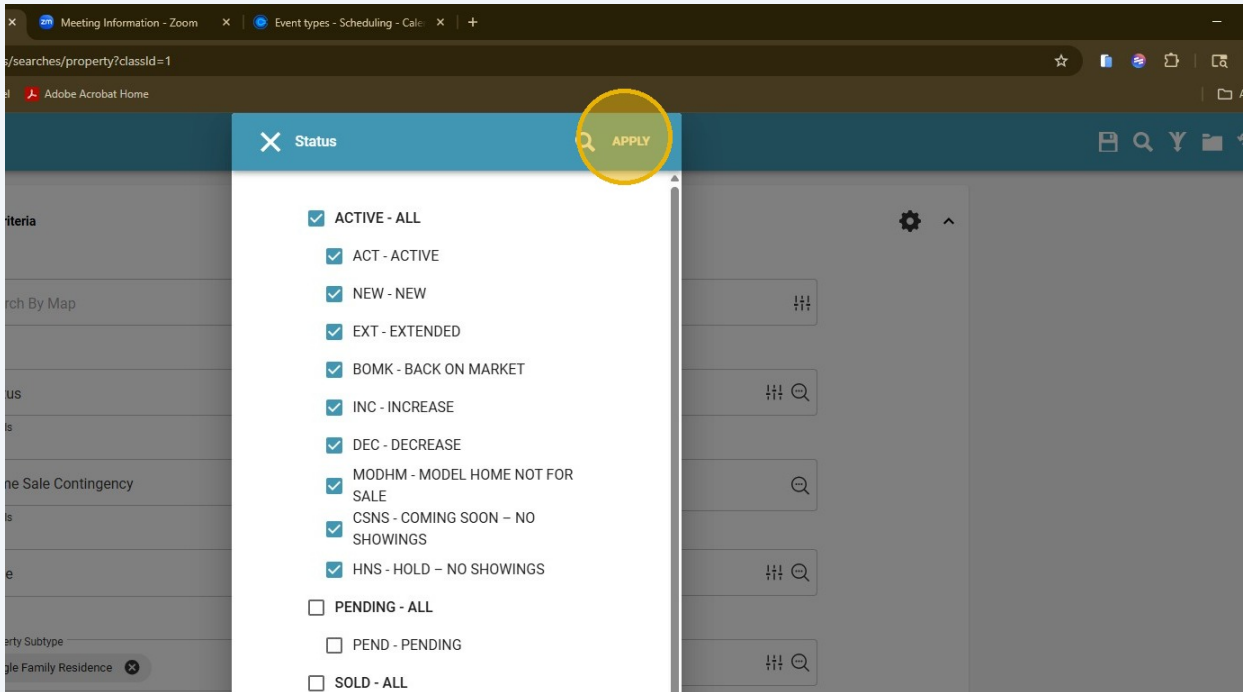

- Search By Map
- MLS # (Contains)
- Status (Equals) - **Contract Pending** is selected.
- Home Sale Contingency (Equals)
- Listing Visibility Type (Active, No Show)
- Price (Equals)
- New Construction (Equals)
- Property Subtype (Single Family Residence)
- Property Attached Y/N (Equals)

5

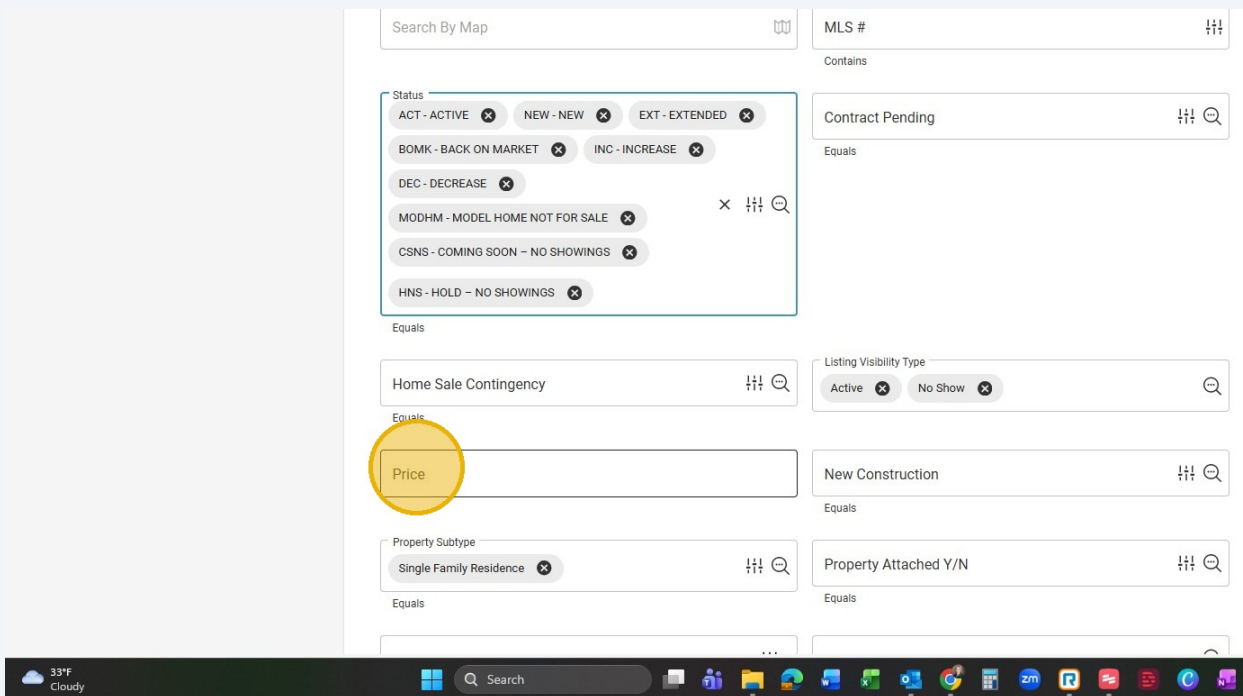

The screenshot shows the 'Status' dropdown menu in the Paragon Connect search interface. The dropdown is open, and the 'ACTIVE - ALL' option is highlighted with a yellow circle. The dropdown menu contains the following options:

- ACTIVE - ALL
- ACT - ACTIVE
- NEW - NEW
- EXT - EXTENDED
- BOMK - BACK ON MARKET
- INC - INCREASE
- DEC - DECREASE
- MODHM - MODEL HOME NOT FOR SALE
- CSNS - COMING SOON - NO SHOWINGS
- HNS - HOLD - NO SHOWINGS
- PENDING - ALL
- PEND - PENDING
- SOLD - ALL

6 Click "APPLY"

7 Enter Price range

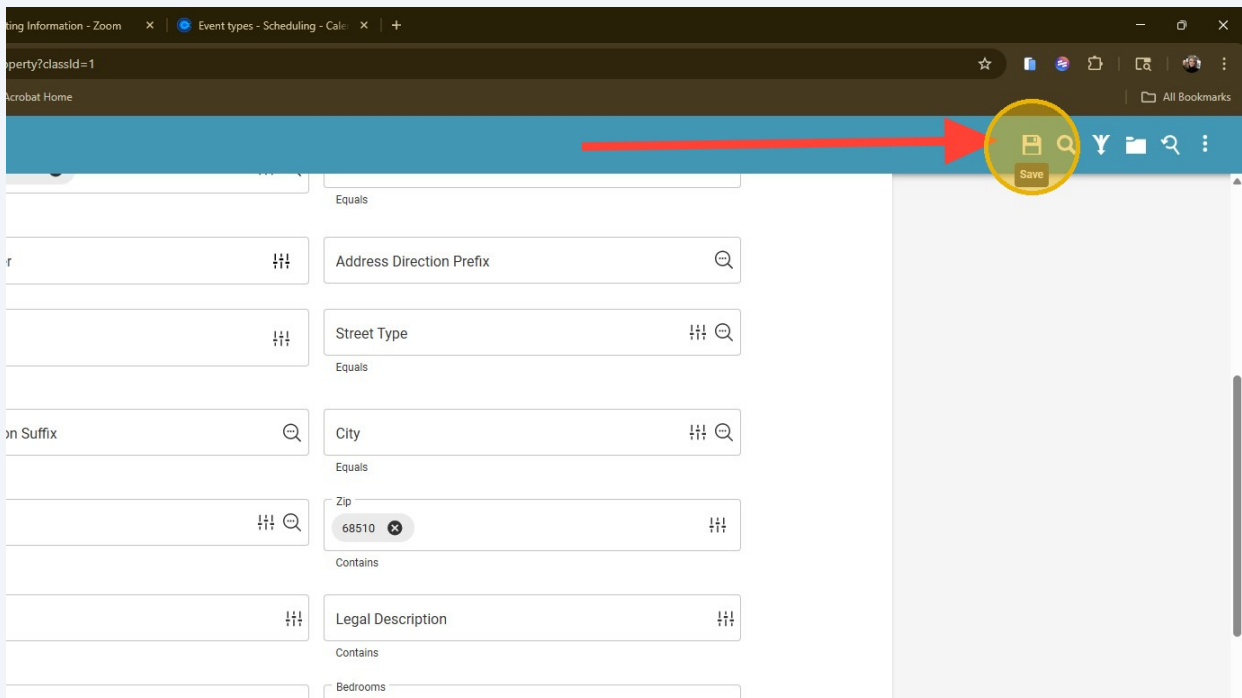

8 Click "Bedrooms"

A screenshot of a search interface with various filters. The filters are arranged in a grid. The 'Bedrooms' filter is highlighted with a yellow circle. The filters include: Address Street (Contains), Street Type (Equals), Address Direction Suffix (Search), City (Equals), County (Equals), Zip (Contains), Subdivision (Contains), Legal Description (Contains), Primary Bedroom Level (Equals), Bedrooms (highlighted), Bathrooms, Laundry Room Level (Equals), # of Fireplaces, and Garage Spaces. The Windows taskbar is visible at the bottom.

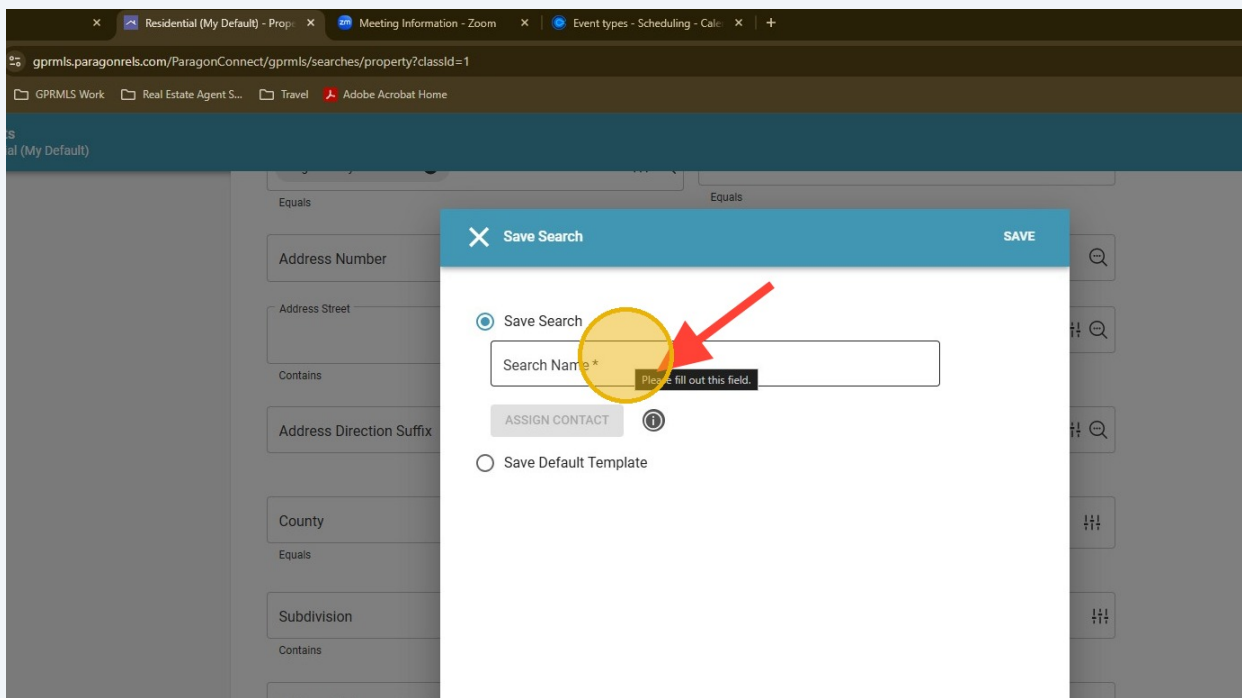

9 Click "Bathrooms"

A screenshot of the same search interface as in step 8. The 'Bathrooms' filter is now highlighted with a yellow circle. Additionally, the 'Bedrooms' filter is now active, showing a range of '3' to 'max'. The Windows taskbar is visible at the bottom, showing a weather widget for 33°F Cloudy.

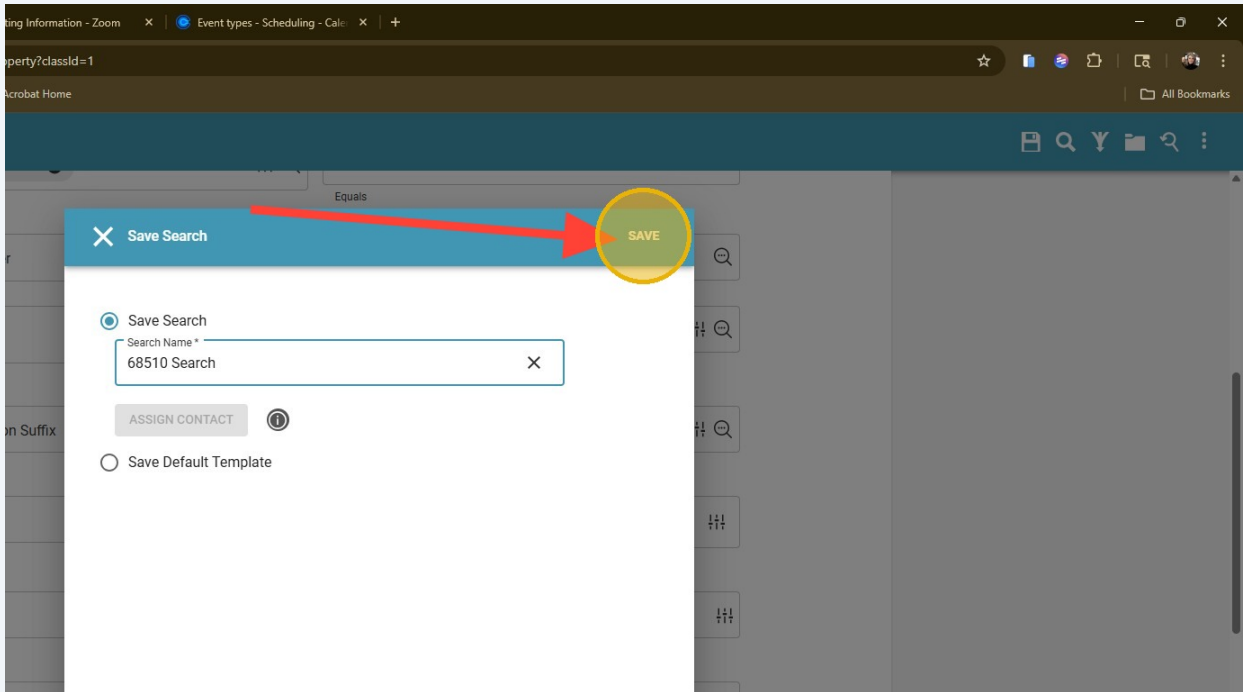

10 Click "Save" once you have completed the fields needed

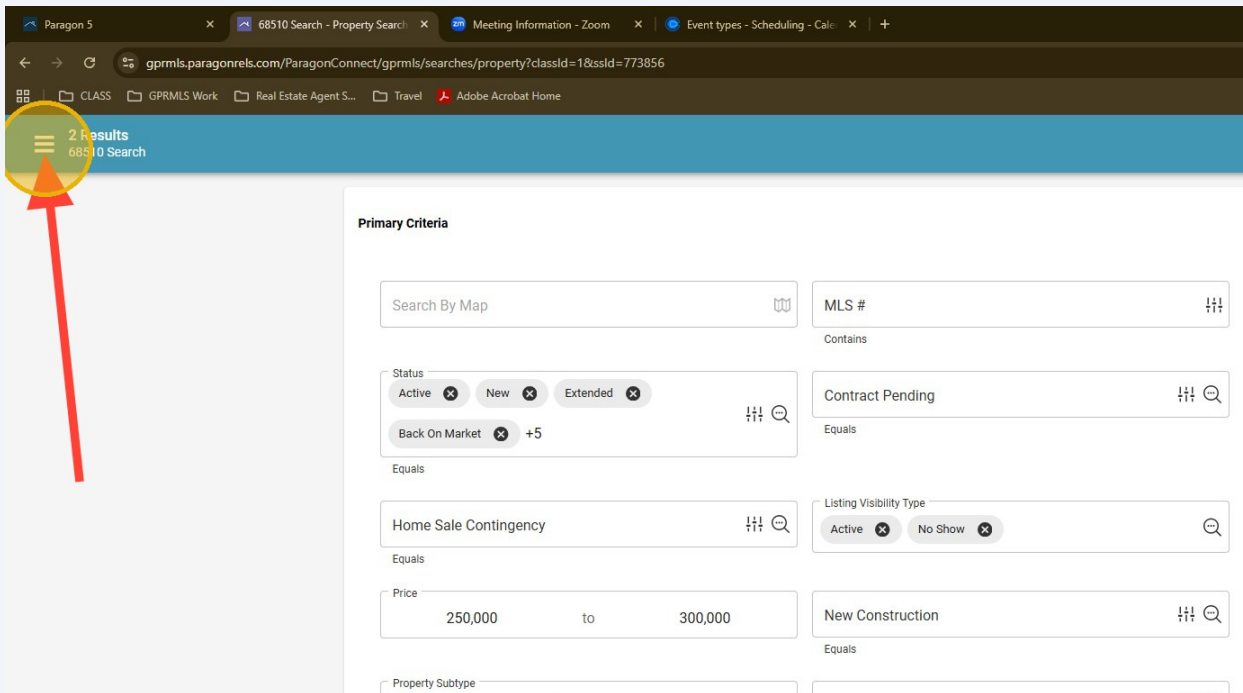

11 Name your search

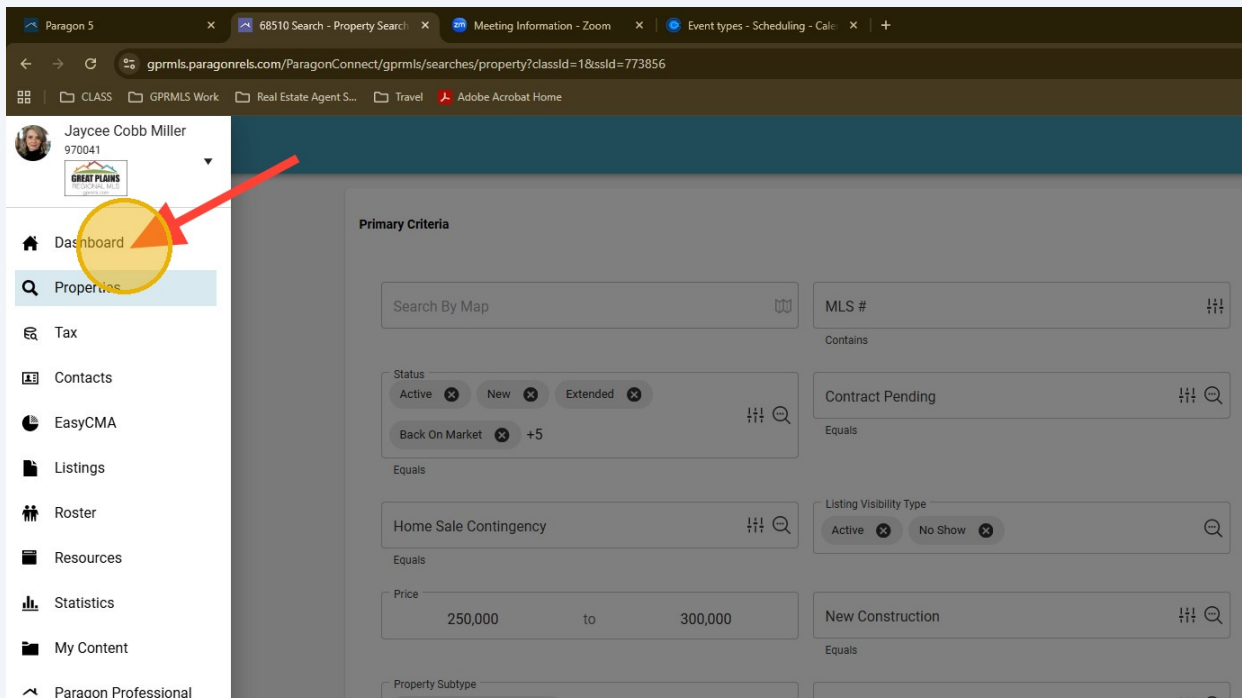

12 Click "SAVE"

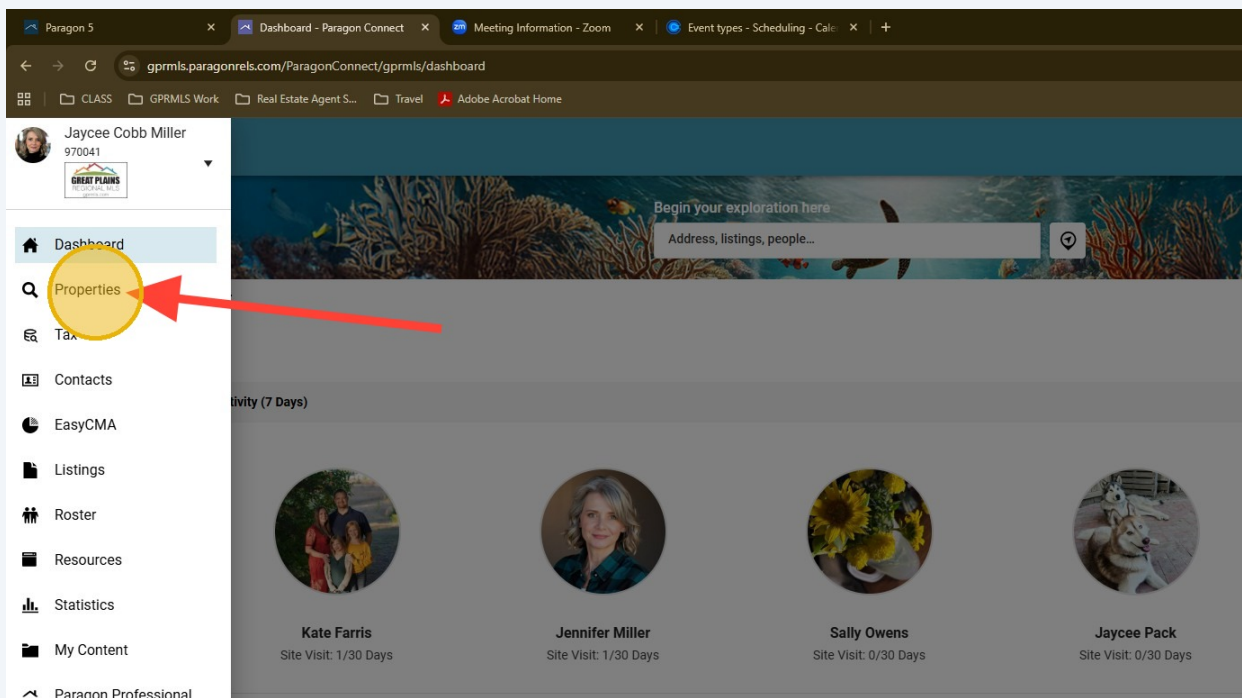

13 To find your "Saved Search", go to the "Main Menu"

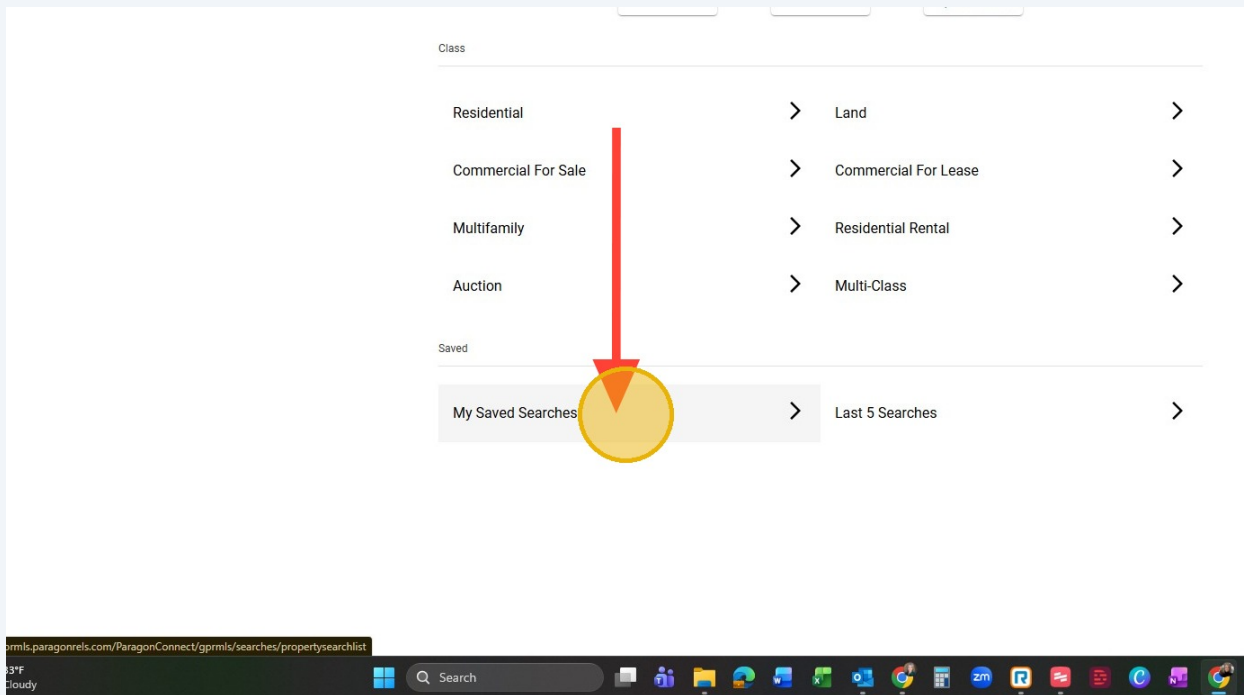

14 Click "Dashboard"

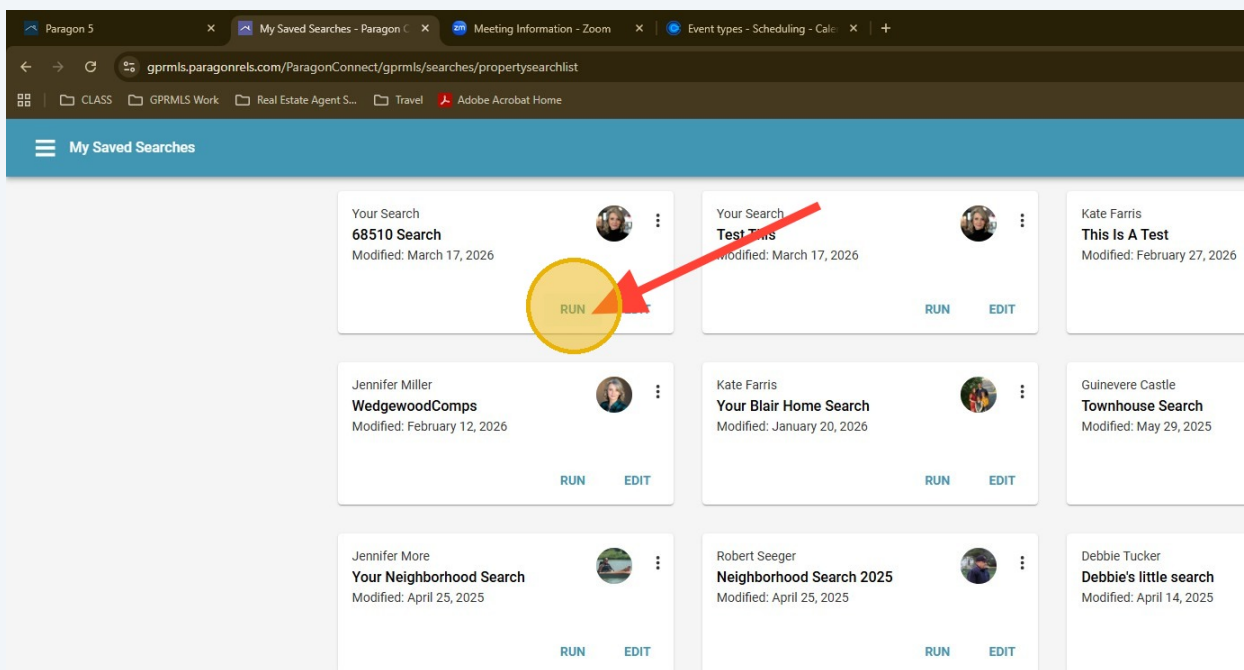

15 Click "Properties"

16 Click "My Saved Searches"

17 Find the name of your saved search and click "RUN"

18 You should see your results

The screenshot shows a web browser window with the URL `gprmls.paragonrels.com/ParagonConnect/gprmls/listings/results?resultsType=0&subTitle=68510+Search&classId=1&ssId=773856`. The browser tabs include "Paragon 5", "68510 Search - Search Results", "Meeting Information - Zoom", and "Event types - Scheduling - Calen...". The page header shows "2 Results" and "68510 Search".
